

PRIVACY AND SECURITY POLICY

All services provided in our website are owned by Arkon Organizasyon Turizm Ltd. Şti., registered at the Ankara address, and are operated by our company.

Our company may collect personal data for various purposes. Below is specified how and in what manner the collected personal data is gathered, and how and in what manner this data is protected.

For the purpose of conference registration, members provide certain personal information about themselves (such as name-surname, company information, phone, address, or email addresses) by filling out various forms and surveys, which are collected by us as necessitated by the nature of our business.

Our company, beyond the purposes and scope defined in the Membership Agreement, may use the requested information for direct marketing purposes by itself or in collaboration with its partners. Personal information can also be used to contact the user when necessary. Information requested by our company, information provided by the user, or information related to transactions made through our company can be used by our company and its partners, beyond the purposes and scope defined in the "Membership Agreement", for various statistical evaluations, database creation, and market research without disclosing the identity of our members.

Our company commits to keeping confidential information strictly private and secret, to consider this a duty of confidentiality, and to take all necessary precautions and exercise due care to ensure the confidentiality and maintenance of confidentiality, to prevent the entire confidential information or any part of it from entering the public domain or from unauthorized use or disclosure to a third party.

CREDIT CARD SECURITY

Our company prioritizes the security of credit card holders who shop from our shopping sites. Your credit card information is never stored in our system.

Since no information related to the card can be viewed or recorded by us, it is prevented under any circumstances that third parties can obtain this information.

E-MAIL SECURITY

Never write your credit card number or passwords in the emails you send to our Store's Customer Service regarding any of your orders. Information in emails can be seen by third parties. Our company cannot guarantee the security of information transferred from your emails under any circumstances.

Our company may change the provisions of this "Privacy Policy" at any time by publishing it on the site or by sending an electronic mail to users or by publishing it on its site. When the provisions of the Privacy Policy change, they become effective on the date of publication.

For all kinds of questions and suggestions regarding our privacy policy, you can send an email to pvcon@odtugunam.org. You can reach our conference organizing committee through the contact mail.
